One Book One Marin is led by a unique collaboration of Marin's County and City public libraries and community partners. Part of an ever-growing statewide and national phenomenon to encourage communities to Read ñ Discuss ñ Build Community, One Book One Marin is proud to have hosted more than 40 events countywide to date this year around our 2008 Selection Amy Tan's Saving Fish from Drowning.

We look forward to more programming throughout the year, and beginning our work for 2009 in late Fall. Our work would not be possible without the amazing staff support, creativity, and energy from our Community Partners, and the generous funding of our Sponsors. We would like to acknowledge them tonight:
