COMMUNITY | STUDY | REFLECTION | SERVICE

Dominican University of California students live the Four Dominican Ideals of community, study, reflection, and service.

Here at Dominican, you don't have to look far to find an opportunity for serenity and reflection. It's around you everyday. You'll be able to hear yourself think and have quiet moments with friends, thanks to the peace that naturally comes from being located on the grounds of a former summer estate. Moreover, you'll appreciate how the University's park-like campus offers a calming influence, along with sun-drenched benches to relax upon.
